Dear Mayor Smith;

September 5<sup>th</sup> 2018 we received a fire report from North Little Rock Fire Department advising the structure had burned. September 5<sup>th</sup> 2018 owners of record were mailed notice of Public Nuisance. The interior inspection showed severe fire damage.

September 10<sup>th</sup> 2018 Ms. Megan Torres contacted Officer Williams and advised there was no insurance on the property and she would need time to repair or demolish the property.

September 26<sup>th</sup> 2018 Notice of City Council scheduled for November 26<sup>th</sup>, 2018 hearing date was mailed by certified and regular mail and posted to the premises. Notice of hearing was also ran in local newspaper.

Follow up inspections on the property has shown there has been no repairs started on the structure. There has also been no permits pulled for repairs or demolition for the structure.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that these structure be considered for condemnation.
