To the Mayor and City of North  
Little Rock:

Just a note to say a great  
BIG Thank-You for support of  
our food bank. Almost every  
Thursday night we try to  
make a difference with the  
great need of hunger in our  
area. We give out anywhere  
from 75 to 100 plus boxes and  
touch 100's of families. We just  
met a mile stone and recently  
have passed 1,000,000 pounds of  
food passed out. The need seems  
to be growing and we are blessed  
to have a city with compassion  
for this and other needs.

Thanks again!!

...bunches and bunches!
