RE: Actions of Metro Scrap Metals, Inc.
6915 Highway 70
North Little Rock, AR 72114

I would like to express my concerns about the actions of business enterprise Metro Scrap Metals, Inc. I understand Metro Scrap Metals, Inc. has a request to be considered by the City Council to change the hours allowed for their operation.

The noise that is caused by this business at previous times has been very stressful to me. I am employed full time so I do not know very much about the situation during most daytime hours, but I do enjoy sitting on my porch or in the yard in the warm weather evenings, and there have been times when the noise has caused me to stay inside.

Please consider carefully any proposal the city council receives from Metro Scrap Metals, Inc.
